

**The F-33, F-34, F-35, W-10 and W-13 Certificates of Fitness for Fire Drill Conductor are being replaced by the F-07 (Premises related) and W-07 (Citywide) Certificates of Fitness for Fire and Emergency Drill Conductor.**

- [Click Here For F-07/W-07 Study Material](#)
- [Click Here For F-07/W-07 Notice of Examination](#)

**The F-07/W-07 Certificate of Fitness examination will be available on 1/2/2013.**

- The F-33, F-34, F-35, W-10 and W-13 Certificate of Fitness examinations will still be available until **1/31/2013**, but will only be valid for **one year**.
- The F-33, F-34, F-35, W-10 and W-13 will **no longer be renewable** on **2/1/2013**. Current F-33, F-34, F-35, W-10 and W-13 Certificates of Fitness will remain valid until their expiration date.
- Both current Fire Drill Conductor Certificate of Fitness holders and new F-07 or W-07 applicants should review the NEW F-07/W-07 Fire and Emergency Drill Conductor study materials (see bottom of this page) to prepare for the examination. It is critical that you read and understand this study material to help increase your chance of passing the examination.

**If you currently hold any of the following Certificates of Fitness:**

F-33: Fire Drill Conductor – Public Assembly  
F-34: Fire Drill Conductor – Institution  
F-35: Fire Drill Conductor – Factory

These Certificates are **no longer renewable as of 2/1/2013**. You should take the F-07 examination.

**If you currently hold any of the following Certificates of Fitness:**

W-10: Fire Drill Conductor – Public Assembly (Citywide)  
W-13: Fire Drill Conductor – Institutions (Citywide)

These Certificates are **no longer renewable as of 2/1/2013**. You should take the W-07 examination.

**If you are a new Certificate of Fitness applicant**, you can take either the F-07 or W-07 Fire and Emergency Drill Conductor Certificate of Fitness Examination.
