Subject Category

Inhumane slaughter of Canada geese

Subject Details

The Humane Society of the United States calls on New York officials to immediately halt its program to kill resident Canada geese and work instead on a plan that will truly protect public safety and clear the geese from certain areas. News outlets have reported that many New Yorkers are also distressed about the city's contract with the U.S. Department of Agriculture which resulted in the killing of 400 resident Canada geese in Brooklyn's Prospect Park and includes plans to round up more geese. It's an inhumane, ineffective and costly and the wrong way to address the goose population.
