Determination of Board or Commission

## 2011 P5 Client Periodic Report

Lobbyist Name: Citizens Union of the City of New York

Client Name: Citizens Union of the City of New York

### Subject Details

Reforms to the City's Lobbying Laws. Remove the enforcement of the lobbying laws from the purview of the City Clerk's Office and instead empower the Campaign Finance Board (CFB) with administering and enforcing the lobbying laws. Simplify reporting by allowing lobbyists to submit the same form to state and city lobbying entities (assuming Commission coordination with the Commission on Public Integrity). Absent the creation of a single form for reporting lobbying of state and city government, the forms should be made as uniform as possible while maintaining the best practices of each. Require the City Clerk's Office to work with the Department of Information Technology and Telecommunication (DoITT) to integrate relevant information on an ongoing basis into the existing doing business database (DBDB). Require new registrants who are lobbyists to complete training on the lobbying laws. Contributions bundled by lobbying organizations or lobbyists should not be eligible for matching funds. Prohibit candidates who participate in the city's campaign finance program from using public matching funds to purchase strategic campaign consulting services from firms that also provide lobbying services. Extend to two years the one-year ban on former public servants who recently served as elected officials or in other senior-level positions from appearing before the agency or branch of city government from which they have departed to a private-sector job. Change the definition of lobbying to include activity prior to the introduction of a bill or resolution and clarify that it applies to bills, including the budget bills, and not simply laws already passed (local laws). Include more information on lobbying activity in the City Clerk's Office's annual report, including providing the process by which random audits are completed, the number of audits opened, in progress, and closed, staff and budget of the Lobbying Bureau, calls/emails received related to lobbying, and rankings of lobbying activity by top subjects lobbied, top bills lobbied, most subjects lobbied, most bills lobbied, most frequently lobbied government institutions and contacts, most money spent lobbying, most clients, and top violators of lobbying law by frequency and severity (dollar amount fined). Expand search options for the city's database so it resembles the state's database. Require the City Clerk's Office to report to the Mayor's Management Report (MMR). Assess penalties against campaigns and candidates who, during one campaign or several campaigns for office, repeatedly must issue refunds to lobbyists for receiving over-the-limit contributions within the 20 day period allotted to do so under Local Law 34 of 2007. Create a blanket amnesty program beginning in 2012, providing relief for some portion of late fees to non-profit and other organizations not currently reporting their lobbying activity to the Clerk's Office. Change references in the law to the New York Temporary State Commission on Lobbying to a general reference to the state entity overseeing lobbying or add, or any successor thereto, after each instance in which the New York Temporary State Commission is currently mentioned in law.
