Advocate for, Seek Implementation and Refine Objectives of an ambitious Area-wide Plan

Subject Details

Advocated for the refining and continued implementation of an area -wide Plan with current period focus on the ongoing effort to "kick-start" Webster Avenue Redevelopment, completing the Fordham Road Reconstruction Project, Rezoning Fordham Road, refining the reconstruction logistics for Fordham Plaza and responding to new proposal for Bike Lanes on Southern Boulevard. This involved maintaining the strong support and continued collaboration of the New York City Mayor's Office, and the relevant agencies, departments, commissions and public authorities/corporations -- including the various Deputy Mayors, Transportation, EDC, City Planning Departments, DDC, SBS, Local Community Boards and the MTA -- for approvals, input and funding to advance and implement an ambitious multi-dimensional and multi-phase urban redesign and redevelopment plan for the research, educational and cultural institutions natural district of the north central Bronx, located around The Bronx River, Bronx Park and the Moshulu. The major focus during this reporting period was to advance the implementation and conversation with respect to how to trigger and advance redevelopment opportunities along Webster Avenue, now that the mixed use re-zoning has been approved. The discussion focused on potential redevelopment strategies and mechanisms that might be employed to advance and jumpstart this effort, including the launch of a Webster REvisioning Strategy Document . In addition, Fordham Road Reconstruction Project was substantially completed except for plantings in the median set to happen this Spring 2013. Formal ULURP for Fordham Road Rezoning is set to commence later in Spring 2013 with DCP as lead agency, one the environmental assessment is completed and the Project is certified, and Fordham Plaza Redesign & Reconfiguration Project commenced on February 15, 2013. In addition the ongoing conversation has involved a reaction and response to a new proposal for the installation of Bike lanes along a dangerous portion of Southern Boulevard, where many accidents have occurred due to blind curves and high traffic speeds on the roadway.
