In order to make an informed choice about the best daycare placement for your child, you are encouraged to visit any daycare center(s) you are considering. Daycare centers are operated by a variety of different sponsors, including religious and charitable organizations. If, after selecting a daycare provider, you are dissatisfied with the services for any reason, you have the right to request an alternate placement - call 311 and explain that you are currently receiving ACS Child Care services, but are dissatisfied and would like to change service provider.
