FROM: Jackie Roth

SUBJECT: Discharge Grants: Interim Guidance and Business Process-FY 2017

The ACS Division of Financial Services is pleased to announce the reinstatement of Discharge Grants for children and youth leaving care on trial discharge [M970 date] or final discharge [M990 date], on or after July 1, 2016 (Fiscal Year 2017). Discharge Grants are provided to facilitate a child’s/youth’s transition from foster care placement to community living and may be used to cover the costs of any needs that would aid in this transition.

REQUIREMENTS FOR ELIGIBILITY
To be eligible for a discharge grant a youth must have resided in continuous care and custody of the Commissioner for nine (9) consecutive months or more, and have an approved permanency planning goal of Return to Parents (01)/Discharge to Primary Resource Person/Fit and Willing Relative (02) or; Another Permanent Planned Living Arrangement Discharge (APPLA) (05). (Note: This does not apply to youth who are discharged to relative awarded subsidized Kinship Guardianship, Adoption, Close to Home or PINS youth).

In addition, Discharge plans must be approved by the case/child planning program director as outlined in Schedule B (youth who refuse to consent to remain in foster care must have a viable discharge plan); and the youth must not have received a discharge grant within two years of the date of the current discharge.

DISBURSMENT
Discharge Grants should be disbursed prior to or during trial discharge or in some circumstances at the time of final discharge (i.e., APPLA youth leaving care). A Family Team Conference must take place in order to be eligible to receive the discharge grant reimbursement.
We are implementing the use of new forms to facilitate the reimbursement process for discharge grant expenditures. Foster Care agencies will be required to complete and submit the Discharge Grant Itemized Invoice, Form A (Attachment A) and the Discharge Grant Detail Reimbursement Request, Form B (Attachment B) to ACS, as outlined in the attached, to facilitate the reimbursement for Discharge Grants for eligible children and youth. Foster Care Agencies are required to submit requests for Discharge Grant Reimbursements by the 15th of each month. Upon receipt of all required and completed forms (in addition to other required documentation (detailed within) ACS will process requests as promptly as possible.
