Frequently Asked Questions

1. **Q)** I am a center-based Group Day Care (GDC) program or a legally-exempt Group Day Care Program (LE GDC) that has been closed for the entire month and did not have any attendance for any children in my care. Do I still need to submit an attendance form?

A) Even if closed for the entire month you must submit the ACS1 attendance form and write anywhere at the bottom of the form that you were closed for the entire month due to COVID-19 pandemic.

A) ACS continues to mail out the ACS1 forms but as a GFDC, FDC or Informal/In-Home Care Provider, use the Child Care Automated Phone System (CAPS) to enter attendance. Using CAPS will speed up your voucher payment. Call 1 (800) 692-0699 to report your attendance after the service month has ended.
5. Q) How soon will I be paid?

A) GFDC, FDC and Informal Providers will get paid within 7 to 10 business days after attendance has been received from CAPS. Addendum # 1:

The instructions for licensed Group Family Day Care (GFDC) Providers who care for up to 16 children and registered Family Day Care (FDC) Providers who care for up to 8 children provided in the 04/14/20 Q & As (see attached Q & A # 4) regarding how to get paid, have been expanded in this addendum to include instructions to properly report attendance for full closures.

In addition to reporting attendance using CAPS, GFDC and FDC providers only must also accurately report the number of attendance days in CAPS (e.g., from 0 to 22 days in April), including entering “0” days for enrolled children who were not in attendance for the entire service month due to COVID-19. Please do not leave the attendance blank unless the child was no longer enrolled with you.
