

**Family Enrichment Centers and Community Partnerships:
Primary Prevention Resources in the Community
Revised 4/29/2020**

Due to COVID-19, the following changes are in effect until further notice. Even though most offices are temporarily closed, regular telephone and e-mail support is occurring. All programs listed below are working with community partners, including public and private organizations, elected officials and others, to offer or help coordinate support in various forms. In some cases, emergency items such as food and educational tools for children and youth are available.

Remote hours for all programs are Mon-Fri 9am-5pm, and messages are generally returned no later than the next business day. On-site days and hours may change so please **call, e-mail or check the websites and/or social media pages for up-to-date information.** To reach the ACS Office of Community Engagement and Partnerships, e-mail: Nigel.Nathaniel@acs.nyc.gov.

Family Enrichment Centers – warm, home-like spaces that provide a range of offerings to the community; now providing remote referrals and support, as well as limited, in-person emergency resources
