\*CARES (Collaborative Assessment, Response, Engagement and Support , formerly known as FAR) is an alternative Child Protective response to some reports of child maltreatment. CARES does not require an investigation and determination of allegations and individual culpability for families reported to the SCR. It is an alternative approach to providing protection to children by engaging families in an assessment of child safety and of family needs, in finding solutions to family problems and in identifying informal and formal supports to meet their needs and increase their ability to care for their children.

## SCR Investigation Indication Rate January 2019 – February 2022

## Average Child Protection Caseload\* February 2021 – April 2021 and February 2022 – April 2022
