

### **Close to Home Phase II: Limited-Secure Placement Community Forums**

ACS held community forums in each New York City borough to receive feedback on the implementation of Limited-Secure Placement, which is the second phase of the Close to Home initiative. The three main goals of Close to Home are:

- To ensure public safety by maintaining the low juvenile crime rate while reducing incidents of re-offending.
- To improve youth and family development and well-being.
- To improve educational and vocational opportunities and achievements.
