

Fedcap Solution Series: “Changing the Story for Youth Transitioning From Child Welfare and Juvenile Justice”

On February 20, Commissioner Ronald E. Richter joined other child welfare professionals who participated in the Fedcap Solution Series panel discussion titled “Changing the Story for Youth Transitioning From Child Welfare and Juvenile Justice.” The panel examined ways to ensure more successful outcomes for youth transitioning out of the child welfare and juvenile justice systems. The discussion centered on lessons learned from conversations with young people who had achieved success after leaving care, and how to use this information to help other young people transitioning from foster care and juvenile justice.
