

Parent Cafés

O.U.R. Place regularly hosts Parent Cafés, parent-led discussions that create a space for participants to share their experience and identify ways to promote the protective factors while providing one another with support. Parents and non-parents alike are welcome to join Parent Cafés.

Offerings at O.U.R. Place

Family Enrichment Center

What is a Family Enrichment Center?

The O.U.R. Place Family Enrichment Center (FEC) is one of the three FECs in New York City. O.U.R. Place is a warm, inviting, home-like space where neighborhoods in Hunts Point/Longwood are able to connect, contribute to their community, find resources, learn, and share with others.

Our Approach: For and by the Community

Family Enrichment Centers use a strength-based approach to planning that asks empowering questions and contributes to collaboration. Together community members discover the best of their communities, create a dream for the future, and design and walk a path to get there together.

Discover the best of you and your community

Family Enrichment Centers are open to children, youth, and adults of all ages. Everyone is welcome to join the conversation, and contribute their hobbies, knowledge, and passions to their neighbors.
