Human Trafficking and Forced Labor are **Illegal**

Ask yourself:

→ Has anyone ever forced or tricked you into having sex for money or anything else of value?
→ Has anyone forced you to work to pay off a debt to them or anyone else?
→ Has anyone ever lied to you about the type of work you would be doing?
→ Has anyone made threats against you or your family?

It Can Happen to Anyone, No Matter Their Race, Age, Gender, or Immigration Status
