

FOIL MANUAL

for the
New York City
Office of the Actuary

Effective January 1, 2021

Introduction

This Policy supersedes any prior policy or practices regarding this issue and details the Office of the Actuary's (OA) policy regarding requests, production and inspection of public records pursuant to the Freedom of Information Law (FOIL) contained in Article 6 (§§ 84-90) of the New York Public Officers Law. The Policy is issued in accordance with 21 NYCRR Part 1401. To the extent that this Policy conflicts with any provision of law, the provisions of law shall apply.

OA personnel shall provide to the public the information and records required by FOIL, as well as any records available by law and not otherwise protected.

Records Access Officer

The Chief Actuary, the OA agency head, designates the below employee to serve as the OA's Records Access Officer and to ensure compliance with this Policy:

Marlene Markoe-Boyd
Records Access Officer
New York City Office of the Actuary
255 Greenwich Street, 9th Floor
New York, NY 10007
(212) 312-0119
mmarkoe-boyd@actuary.nyc.gov

The designation of a records access officer shall not be construed to prohibit OA officials who are authorized to make records or information available to the public from continuing to do so.

Responsibilities of the Records Access Officer

The Records Access Officer is responsible for providing appropriate OA responses to requests for records. The Records Access Officer shall:

- (a) Maintain an up-to-date subject matter list.
- (b) Assist members of the public in identifying requested records.
- (c) If necessary, contact requestors to ascertain the nature of records of primary interest and attempt to reasonably reduce the volume of records requested.
- (d) Upon locating the records, take one of the following actions:
 - (i) Provide access to the records; or
 - (ii) Deny access to the records in whole or in part.

(e) Upon request, certify that a record is a true copy.

(f) Upon failure to locate records certify that:

(i) The OA is not the custodian for such records; or

(ii) The OA is a custodian of the records, but such records cannot be found after a diligent search.

Hours and Location of Inspection

The OA is generally not open to the public and does not maintain business hours for such purpose. Therefore, a request to inspect and copy records on OA premises must be made by appointment to occur within OA business hours by contacting the Records Access Officer.

Please note that due to the COVID-19 pandemic the OA's physical office space may be closed to OA employees and visitors in 2021, which may affect inspection and production of physical records.

The OA's functions involve analyzing Personal Identifying Information as defined in Chapter 12 of Title 23 of the Administrative Code of the City of New York. Therefore, the Records Access Officer must provide a suitable location for any inspection and take reasonable steps to secure confidential information.

In no event shall the Records Access Officer or any other OA employee permit a member of the public to remove original agency records from the premises.

Procedures for Making Requests

Any request for access to OA records shall be in writing and addressed to the Records Access Officer. The request shall reasonably describe the records sought, and whenever possible supply information regarding the dates or other information that will enable the Records Access Officer to identify the records sought.

To the extent practical, requests for access to records may be made, or processed by the Records Access Officer, through NYC OpenRecords for purposes of logging and tracking requests and responses. FOIL request should be addressed to the Records Access Officer at FOIL@actuary.nyc.gov and, whenever practical, submitted via NYC OpenRecords.

The OA will not accept open or ongoing FOIL requests and will not create new records in response to FOIL requests.

Timing and Procedures for Responding to Requests

Within five business days of the receipt of a request for access to records, the Records Access Officer shall, in writing, either:

- (a) grant or deny access to records in whole or in part;
- (b) inform the requestor that the request or portion thereof does not reasonably describe the records sought, and, to the extent possible, provide direction that would enable that person to reasonably describe the records sought; or
- (c) acknowledge receipt of a request and provide a statement of the reason for the inability to grant the request within five business days, and provide an approximate date within a reasonable period, generally not to exceed 20 business days, when the request will be granted in whole or in part.

If receipt of the request was acknowledged in writing and included an approximate date when the request would be granted in whole or in part, but circumstances prevent disclosure within that period, the Records Access Officer shall provide a written statement prior to the end of such period specifying the reason for the inability to provide access to such records within that period, and provide a date certain, within a reasonable time period given the circumstances of the request, when the request will be granted in whole or in part.

In determining a reasonable time for granting or denying a request, the Records Access Officer shall consider the volume of a request, the ease or difficulty in locating, retrieving or generating records, the complexity of the request, the need to review records to determine the extent to which they must be disclosed, the number of requests received by the agency, and similar factors that bear on the ability to grant access to records promptly and within a reasonable time.

Failure to comply with the time limitations described herein shall constitute a denial of a request. Such denial may be appealed to the FOIL Appeals Officer.

If records are maintained on the internet, a link to such records may be provided. However, the requester may still request that the records be provided in a printed form or in another reasonable information storage medium.

The OA retains the authority to redact non-public portions of records prior to disclosure.

Subject Matter List

The Records Access Officer shall maintain a reasonably detailed list of OA records by subject matter whether or not those records are available pursuant to FOIL. The Subject Matter List shall be sufficiently detailed to permit identification of the category of record sought and shall be updated annually. The 2021 Subject Matter List is annexed hereto as Appendix A.

Denial of Access to Records

Denial of access to records shall be in writing, state the reason for the denial, and advise the requester of the right to appeal to the FOIL Appeals Officer. The FOIL Appeals Officer shall determine appeals regarding denial of access to records and be identified in any denial as follows:

Keith M. Snow
FOIL Appeals Officer
New York City Office of the Actuary
255 Greenwich Street, 9th Floor
New York, NY 10007
(212) 312-0111
ksnow@actuary.nyc.gov

FOIL Appeals

Any person denied access to records may appeal to the FOIL Appeals Officer within 30 days of the denial. FOIL appeals should be addressed to the FOIL Appeals Officer at FOIL@actuary.nyc.gov and, whenever practical, submitted via NYC OpenRecords.

Appeals shall be decided by the FOIL Appeals Officer within ten business days of the receipt of the appeal. The time for deciding an appeal shall commence upon receipt of a written appeal identifying:

- (a) the date of the request and means by which the request was submitted;
- (b) a description, to the extent possible, of the records to which access was denied; and
- (c) the name and return address (or email address) of the person denied access.

Failure to determine an appeal within ten business days of its receipt (by either granting access to the records sought or fully explaining in writing the reasons for the continued denial) shall constitute a denial of the appeal.

The FOIL Appeals Officer shall transmit to the Committee on Open Government copies of all appeals, upon receipt of such appeals, and determinations of such appeals. Such copies shall be addressed to:

Committee on Open Government
Department of State
One Commerce Plaza
99 Washington Avenue, Suite 650
Albany, NY 12231

Fees

Except as provided herein or by law, there shall be no fee for the inspection of records, the search for records, or the certification of records. Although copies of records may be provided without a fee, a fee may be charged provided that:

- (a) it not exceed 25 cents per page for copies that are 9 x 14 inches or smaller; or
- (b) it shall not exceed the actual cost of reproduction of copies of records in excess of 9 x 14 inches in size.

The fee that the OA may charge for a copy of a record that is based on the actual cost of reproduction is limited to:

- (a) an amount equal to the hourly salary attributed to the lowest paid employee who has the necessary skill required to prepare a copy of the requested record, but only when more than two hours of the employee's time is necessary to do so; and
- (b) the actual cost of the storage devices or media provided to the person making the request in complying with such request; or
- (c) the actual cost of engaging an outside professional service to prepare a copy of a record, but only when the OA's information technology staff is unable, or the OA's equipment is inadequate, to prepare a copy.

When the OA has the ability to retrieve or extract a record maintained in a computer storage system with reasonable effort, or when doing so requires less employee time than engaging in manual retrieval or redactions from non-electronic records, the agency shall retrieve or extract such record electronically. In such case, the agency may charge a fee in accordance with the above paragraphs.

The OA shall inform the requestor of the estimated cost of preparing a copy of the record if more than two hours of an OA employee's time is needed, or if it is necessary to retain an outside professional service to prepare a copy of the record.

The OA may require that the fee for copying or reproducing a record be paid in advance of the preparation of such copy.

Public Notice

This Policy and the contact information for the Records Access Officer and FOIL Appeals Officer shall be publicly posted on the OA's website.

Severability

If any provision or application of this Policy is adjudged invalid by a court of competent jurisdiction to any person, such determination shall not affect or impair the validity of the other provisions or applications of this Policy to any other person or circumstance.
