NOTICE REGARDING ROUTE DATA COLLECTION
Monitoring the Weather Forecast for Wednesday, March 7th

To: All companies licensed by the Business Integrity Commission who collect commercial refuse, organic waste and recyclables:

Pursuant to the Commission Directives issued on [February 22](#) and [28](#), 2018, during the period between Sunday, March 4 and Sunday, March 11, 2018, you are required to collect certain route data information. However, the weather forecast for Wednesday, March 7th, currently shows the potential for significant snowfall in New York City and may require temporary suspension of the data collection efforts due to safety concerns. We will be closely monitoring the weather conditions and will let you know as soon as possible whether we will be suspending the data collection and for how long. Until then, you are required to continue to collect route information.

Sincerely,

A handwritten signature in black ink that reads "Daniel D. Brownell". The signature is written in a cursive style.

NOTICE REGARDING ROUTE DATA COLLECTION
Update on the Weather Forecast for Wednesday, March 7th

To: All companies licensed by the Business Integrity Commission who collect commercial refuse, organic waste and recyclables:

We are writing to provide you with an update on the weather forecast as it relates to the collection of route information that is ongoing this week. This morning, the National Weather Service issued a Winter Storm Warning for New York City from Tuesday, March 6, 2018, at 10:00 p.m. until Thursday, March 8, 2018 at 4:00 a.m. The City is expected to receive 6 to 12 inches of snow, which can make it dangerous to drive. Given the forecast, out of safety concerns, **BIC is suspending the route data collection efforts from Tuesday, March 6 at 8:00 p.m. until Wednesday, March 7, 2018 at 5:00 p.m.** After this period, you must resume collecting route information until 5:00 p.m. on Sunday, March 11, 2018. If your operations are altered outside of this time period—either for suspended operations, or increased operations after the storm to make up for cancelled routes—report whatever activity that occurs. If circumstances change, BIC will update you.

Sincerely,

A handwritten signature in cursive script that reads "Daniel D. Brownell".

COMMISSION DIRECTIVE REGARDING ROUTE DATA COLLECTION
Update on Winter Storm

To: All companies licensed by the Business Integrity Commission who collect commercial refuse, organic waste and recyclables:

The Winter Storm is currently affecting New York City and the surrounding areas. Due to the inclement weather and out of safety concerns, **BIC will continue to suspend the route data collection efforts from Wednesday, March 7, 2018 at 5:00 p.m. until Thursday, March 8, 2018 at 5:00 p.m.** After this period, you must resume collecting route information until 5:00 p.m. on Sunday, March 11, 2018. We fully understand that from time to time there are collection disruptions due to circumstances such as snow. In order to make up for the two days of data loss, we are requiring private carters to collect route data from 5 p.m. on Tuesday, March 13, 2018 until 5 p.m. on Thursday, March 15, 2018. If circumstances change, BIC will update you.

Sincerely,

A handwritten signature in cursive script that reads "Daniel D. Brownell".
