

New York City Department of Correction Young Adult ESH Compliance Audit – May 2022

Mayor's Executive Order 241, that began on September 15, 2021, allows for the continued use of Enhanced Supervision Housing (ESH) for young adults (18 to 21 years old). The Department continues to report on compliance through a monthly audit for the following provisions of the Board's Minimum Standards:

- § 1-05(b) (Lock-in), specifically, the number of out-of-cell hours per young adult;
- § 1-08(f) (Access to Courts and Legal Services, including Law Library);
- § 1-06 (Recreation);
- § 1-02(c)(2) (Classification), specifically, the number of programming hours offered to each young adult and the number of hours each young adult participated in programming; and
- Education services, specifically the number of young adults brought to school and, for each young adult, the time each young adult was brought to school and the time each young adult was taken out of school.

Audit Parameters

The audit is conducted through a manual review of housing area logbooks and programming attendance data on four (4) dates from each month selected using simple random sampling. The scope of the audit encompasses only those housing units within ESH in which young adults are housed within the audit period. On the four (4) audit dates specified below, young adults were housed in one (1) ESH housing area.

This audit report covers the following four (4) dates in the month of May 2022:

- May 3
- May 11
- May 18
- May 25

In addition, on-site inspections of the ESH unit kiosks and typewriters were conducted on four (4) dates selected using simple random sampling:

- May 4
- May 10
- May 19
- May 27

§1-05(b) Lock-in

A manual review of housing area logbooks was performed to determine whether seven (7) or fourteen (14) hours of out-of-cell time were afforded to the young adults based on their housing level. This audit report also provides individualized data related to each young adult's out-of-cell time during the reporting period.

§1-08(f) Access to Courts and Legal Services, including Law Library

A manual review of Law Library Logbooks was conducted to determine whether Law Library services were afforded. In addition to the logbook review, on-site inspections were conducted to

New York City Department of Correction Young Adult ESH Compliance Audit – May 2022

determine if the kiosks and typewriters located within the young adult ESH housing area were operational.

§1-06 – Recreation

A manual review of housing area logbooks was conducted to determine whether one (1) hour of outdoor recreation was afforded.

§1-02(c)(2) (Classification), Provision of Programming

A manual review of programming attendance data was conducted to determine the number of programming hours offered to each young adult and the number of hours each young adult chose to participate in programming.

Education

A review was conducted to determine the number of young adults enrolled in educational services, their arrival and departure times for those who attended educational services, and the number of those who refused to attend educational services.

Audit Findings

§1-05(b) Lock-in

All young adults in ESH are afforded lock-out based on their housing level: seven (7) hours for Level I and Level II and fourteen (14) hours for Level III.

All young adults in ESH are housed in single occupancy cells within their respective housing area. Each ESH housing area consists of multiple single occupancy cells located on two (2) tiers – the lower tier and the upper tier. Young adults in Level I and Level II are afforded seven (7) hours of lock-out time each day. For each young adult in these two levels, the specific time that he locks out depends on his tier's lock-out schedule. For example, one (1) day the lower tier locks out in the am and the upper tier locks out in the pm. The following day the upper tier locks out in the am and the lower tier locks out in the pm. Regardless of the lock-out schedule for ESH young adults in Levels I and II, they are all afforded seven (7) hours of lock-out time on any given day. Young adults in Level III, who are afforded fourteen (14) hours of lock-out time, are not subject to a tier lock-out schedule. Young adults in Level III are all afforded lock-out during both the am and pm hours, regardless of the tier in which they are housed. On any given day, a young adult may be out to court or transferred in or out of the ESH Unit. These young adults may not be included in the out-of-cell time reporting.

Please note that the Department ceased operating young adult ESH Level 1 in April 2021.

Young adults in Level II are afforded seven (7) hours of out-of-cell time each day. Listed below is individualized data related to each young adult's total out-of-cell time in Level II, based on a manual review of the Lock-In/Out Logbook for the audit dates. The out-of-cell time is the hours

Audit Recommendations

Recommendations for the ESH Audit Report are reported quarterly rather than monthly per an agreement with the Board of Correction. The ESH Audit Report covering the month of February 2022 was the last ESH Audit Report which indicated recommendations. A quarterly period has transpired since that last audit report with recommendations, and recommendations are therefore included in this audit report.

The following recommendation was indicated in the ESH Audit Report covering the month of February. The status of the efforts to implement this recommendation listed below is indicated after the recommendation.

Recreation

- Designated supervisory staff should regularly review the housing area logbook, Special Housing Area Mandated Services Logbook and ESH Recreation Logbook to determine whether custody staff have recorded all required information, particularly the recreation commencement times and completion times, as well as the young adults' refusals to participate in recreation. When deficiencies are identified, the designated supervisory staff shall counsel the relevant custody staff person and instruct him or her to record all required information.

Status of implementation:

- The facility issued ESH Memorandum 19/22, entitled ESH Mandated Services, which quotes the above recommendation, including its emphasis on implementation by supervisory staff.

The findings in the ESH Audit Report covering May 2022 require the following one (1) audit recommendation:
