The facility has also begun to offer its own ad-hoc programming such as enhanced recreation, Xbox-related programming, and talent shows, in order to reduce idle time. On June 13, 2016, DOC also launched an inside mentoring program where adult inmates have been selected and trained to serve as program assistants to all young adult housing units as part of a new work detail. Mentors are trained in positive youth development principles, basics in anger management, and cognitive behavioral interventions as well as work readiness and, in turn, offer these trainings to youth participants.

b. Locks functioning/not functioning and location

- Locks are functioning in all of the 18 cell blocks; however, some of the cells must be locked manually due to notification lights in the control rooms being non-functional. c. Cells doors functioning/not functioning and location

- Similarly to above, while the cell doors are functioning in all 18 cell blocks, repairs are needed in order to allow for the electronic closing of the cell doors. Repairs are pending in 2 of these housing areas and in progress in 3. This issue is resolved in the other 13 cell blocks.
