  - Number/Percent received (Department-wide) – 5,499 / 50.4%
  - Number/Percent current (GMDC) – 527 / 58%
  - Number/Percent current (Department-wide) – 2,652 / 24.3%
- Specialized Training - For its specialized housing units (Second Chance, TRU, and Secure), DOC will be providing additional training to include the following:
  - 2-day collaborative training (DOC and H&H) – focusing on DOC programming strategy, 14-point agenda, youth development, trauma, behavior modification principles, and unit protocols
    - The 2-day training was not offered in the month of February. New dates are being solidified to resume the training as soon as possible. Additionally, 8 designated staff members from ESH were provided training on American Prison Data System tablet-assisted programming.
  - 1-day overview of Dialectical Behavior Therapy and programming strategies
    - The training has been postponed and the Department is evaluating whether the DBT overview and programming strategies can be integrated into the 2-day training.

The Department will begin providing these trainings to young adult-only ESH housing units after they have been implemented in Second Chance, TRU, and Secure.

<sup>3</sup> The numbers above include young adult participation data for externally provided programming only. Training in the new IT data tracking system was provided to internal programs staff in February, with new data collection processes implemented in March. Young adult participation data for both externally and internally provided programming in comingled units will be available in the April report, covering the March reporting period. In this transition period, please find in a separate attachment a comprehensive “comingled units programming report”, which delineates which comingled units are receiving internal programming, external programming, or both.
