Maximum	14.00	472.00	302.00	247.00	61.00	161.00

¹ Lengths of stay are calculated by averaging individual Young Adults' accumulated time in each level, regardless of the chronological progression of the Young Adult through various levels. Records are only included for Young Adults who have been released from ESH or Secure.

² This category refers to ESH before the level system was implemented.

³ Length of stay in ESH by release reason is calculated for all those discharged on or after 10/01/2019. Those included in the calculation are individuals who were age 18-21 upon entry into ESH.

r. The implementation of the Department’s plan to increase young adults’ participation in recreation, including the number, rate, and time of young adults’ recreation participation.

Implementation Update: The Department has implemented the recreation plan as previously submitted to the Board. The facility continues to afford young adults the daily opportunity to engage in outdoor recreation, as well as additional supplementary activities; however, each individual may decline as they see fit. In order to continue to follow social distancing guidelines, programming staff were limited in their ability to facilitate regular structured activities in the month of September. The Department continues to provide books as well as cognitive skills therapeutic packets within the unit.
