- r. The implementation of the Department’s plan to increase young adults’ participation in recreation, including the number, rate, and time of young adults’ recreation participation.

Implementation Update: The Department has implemented the recreation plan as previously submitted to the Board. In order to continue to follow social distancing guidelines programming staff were limited in their ability to facilitate regular structured activities in ESH in the month of June. The Department continues to provide books, as well as cognitive skills therapeutic packets within the unit.
