- r. The implementation of the Department’s plan to increase young adults’ participation in recreation, including the number, rate, and time of young adults’ recreation participation.

Implementation Update: The Department has implemented the recreation plan as previously submitted to the Board. The facility continues to afford young adults the daily opportunity to engage in outdoor recreation, as well as additional supplementary activities; however, each individual may opt to decline as they see fit. Young adults continue to state that they would rather opt for inside programming than outdoor recreation. In order to continue to follow social distancing guidelines programming staff were limited in their ability to facilitate regular structured activities in ESH in the month of March. The Department continues to provide books, as well as cognitive skills therapeutic packets within the unit.
