The next item on the agenda is the approval of the Full Board meeting Minutes from the prior meeting. Has everybody had an opportunity to review those minutes. With that being said could we have a motion to approve the meeting Minutes.

I want to start by letting the Boardmembers know that the Job Search for the District Manager for Community Board 1 has started. What we did was setup an email address for submissions to be sent to, the deadline for resumes to be sent is May 31, 2022. Each of you should have gotten a copy of the job description, so all the information is on there we are in the process as we speak getting all the online posting where we will post the job. We want to make sure that the position is widely circulated all submissions will be kept strictly confidential. The Executive Committee will by the deadline view all of the submissions and tonight what I'm asking each of you to do is to help us in terms of vetting all of the candidates. We're in the process of developing a list of interview questions and they will be weighted based on, each candidates response so what I need for everybody on the Board to do is to send in by email a list of all of the questions that you think are important that we should ask the candidates seeking to be the next District Manager of Community Board 1. What we will do is send a follow up email to all
