STEP 1 READ AND SIGN

As the Property Owner or authorized representative of the Property Owner, I grant consent to the City to enter the property identified below in "Step 2" for the purpose of removing graffiti. For the purposes of this Consent, "the City" means personnel and equipment of the City of New York, and/or its contractors, subcontractors, or agents. The City may remove graffiti in the manner it deems appropriate, including but not limited to, by power-washing, painting or the use of chemical solvents.

The City will, in good faith, attempt to remove the graffiti from the property. However, by signing below, I understand that: 1) the graffiti removal services shall be performed as deemed appropriate by the City; 2) the City does not in any way obligate itself to perform any graffiti removal services other than those deemed appropriate by the City; and 3) the City assumes no responsibility if the area cleaned or painted by the City does not match the remainder of the property, or if some residue of existing graffiti remains. I indemnify and hold the City harmless from any liability for physical injury, death, or property damage arising from the performance of graffiti removal services on the property pursuant to this Consent, unless such liability arises entirely from actions or conduct of the City, and/or its contractors or agents.
