AGENDA

1. Update on some of the issues we discussed at the December 8, 2020, meeting. Also Breaking Ground could attend and update on the period from December 8 to March 3. Perhaps someone from the Women's Prison Association to provide us information about the Site at 160 N 12th Street.
2. During the period of December 8, 2020 to March 3, 2021, how many people have been provided services? Any particular services provided to those in need during the particularly cold period?
3. Ongoing and regular cleanup to address discarded hypodermic needles and any other drug paraphernalia, accumulated trash and furniture, bonfires? Have there been cleanups since December 8, 2020?
4. Plan/mechanism to assure contract compliance by service providers?
5. Plan/mechanism to coordinate responses to service needs and community complaints among/between various city/state agencies? Is there a centralized way to address a particular location or problem?
