The Board Chair, Executive Director, and/or General Counsel may permit, upon written request prior to the Board meeting, remote attendance by a Commissioner or Commissioners without in-person public access where it is determined that an aforementioned event or extraordinary circumstance prevents their participation in a public setting. Whenever Board Commissioners participate remotely, it shall be ensured that members of the Board can be heard, seen, and identified while the meeting is being conducted, including but not limited to any motions, proposals, resolutions, and any other matter formally discussed or voted upon.

The “in-person” participation requirements of the Open Meetings Law shall not apply during a state disaster emergency declared by the governor pursuant to section twenty-eight of the executive law, or a local state of emergency proclaimed by the chief executive of a county, city, village, or town pursuant to section twenty-four of the executive law, where the Board determines that the circumstances necessitating the emergency declaration would affect or impair the ability of the Board to hold an in person meeting.
