RE: New York City Administrative Code § 25-208
Report on Activities of the Board of Standards and Appeals

Dear Honorable Speaker Mark-Viverito,

Pursuant to New York City Administrative Code § 25-208 the Board of Standards and Appeals is providing your office with a report regarding the applications filed and decided upon in the prior fiscal year, from July 1, 2016 to June 30, 2017. The statute also requires reporting on the pre-application meetings held and statistics on the length of time from filing to a decision.

While the law only requires reporting on appeals, special permits and variances, the report includes data on what is known as the "Special Order Calendar" (SOC) that includes extensions of terms, amendments to previously approved applications and other sundry actions by the Board.

The Board is excited to present this window into its work. The report will be posted to our website shortly.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ryan Singer".
