

## CONSTRUCTION CODES UPDATE PAGES

Attached are Construction Codes Update Pages. These pages reflect local laws enacted and ministerial administrative corrections made after July 1, 2008. Please note that the source of a particular update, the local law number, and year is indicated on each page. Please visit our [webpage](#) to ensure that your codes are complete and up to date as the City Council may periodically pass Local Laws that affect the Construction Codes.

### **Instructions:**

Please place each page, according to its page number found on the bottom right hand corner, into your Construction Codes books. The pages contain letters after the page number and should be placed in alphabetical order following the number, i.e. 5, 6, 6a, 6b, etc.

- Place Title Pages in the front of your Code books for easy reference.
- Note: If you have all four Construction Codes (Building, Mechanical, Plumbing & Fuel Gas), please make sure to insert updates made to the Administrative Provisions into each of the four Code books.

## GENERAL ADMINISTRATIVE PROVISIONS

*Insert between pages A-30a and A-31 of your bound volumes of the NYC Building Code, NYC Plumbing Code, NYC Mechanical Code and NYC Fuel Gas Code.*

Add the following new section 28-112.10 to read as follows:

**§28-112.10 Waiver of application, permit and inspection fees for certain work arising out of the storm that occurred on October 29 and 30, 2012.** The commissioner shall waive the fees that would otherwise be required to be paid by this code, the electrical code or the rules of the department for applications, permits and inspections for certain work arising out of the storm that occurred on October 29 and 30, 2012 as provided in subsections 28-112.10.1 and 28-112.10.2.

**§28-112.10.1 Eligible buildings.** For the purposes of this article, eligible buildings are those buildings that, following the storm and pursuant to an inspection program established by the department under an emergency order of the Mayor, are designated by the department after inspection through a notation on the department's records and/or by the posting of a red placard warning on the building or premises as seriously damaged and unsafe to enter or occupy or completely demolished and/or washed away. With respect to eligible buildings, fees associated with applications, permits and inspections shall be waived for alteration work, demolition work, construction of new buildings and associated work, including but not limited to associated electrical and plumbing work. The commissioner may request the applicant to submit additional information relating to the damage. Waiver of such fees pursuant to this section shall be applicable for jobs where the initial application for construction document approval or, if no construction documents are required, application for permit is submitted on or after October 30, 2012 and on or before October 31, 2014.

**§28-112.10.2 Storm related damage to electrical and plumbing systems.** In buildings other than eligible buildings, fees shall be waived only for applications, permits and inspections for work related to plumbing and electrical systems damaged by such storm. Applicants must submit certification by a licensed master electrician or a licensed master plumber or fire suppression piping contractor that the proposed work is related to such storm damage. The commissioner may request the applicant to submit additional information relating to the damage. Waiver of such fees pursuant to this section shall be applicable for jobs where the initial application for construction document approval or, if no construction documents are required, application for permit is submitted on or after October 30, 2012 and on or before April 30, 2013.
