ADD THE FOLLOWING NEW ARTICLE 317 TO READ AS FOLLOWS:

ARTICLE 317
COOLING TOWERS

§28-317.1 General. All owners of cooling towers shall comply with this article and the rules of the department.

§28-317.2 Definitions. As used in this article, the following terms shall have the following meanings:

COOLING TOWER. The term "cooling tower" means a cooling tower, evaporative condenser or fluid cooler that is part of a recirculated water system incorporated into a building's cooling, industrial process, refrigeration, or energy production system.

§28-317.3 Registration. All owners of cooling towers shall register such towers with the department prior to initial operation in a form and manner as required by the commissioner and shall include, at a minimum, the following information:

1. Address of the building at which the cooling tower is located;
2. Intended use of cooling tower;
3. Name, address, telephone number and email address of owner;
4. Manufacturer of the cooling tower;
5. Model number of the cooling tower;
6. Specific unit serial number of the cooling tower;
7. Cooling capacity (tonnage) of the cooling tower;
8. Basin capacity of the cooling tower; and
9. Commissioning date of the cooling tower.

Exception: Owners of existing cooling towers shall register such towers within 30 days after the effective date of this section.

§28-317.3.1 Discontinued Use. The owner or operator of a cooling tower shall notify the department within 30 days after removing or permanently discontinuing use of a
cooling tower. Such notice shall include a statement that such cooling tower has been drained and sanitized in compliance with the requirements of the department of health and mental hygiene for discontinuance of a cooling tower.

§28-317.4 Inspecting, cleaning, disinfecting and testing. All cooling towers shall be inspected, tested, cleaned and disinfected in accordance with section 17-194.1 of the administrative code and the rules of the department of health and mental hygiene.

§28-317.5 Annual certification. The owner or operator of a cooling tower shall file a certification each year that such cooling tower was inspected, tested, cleaned and disinfected in compliance with section 17-194.1 of the administrative code and the rules of the department of health and mental hygiene, and that a maintenance program and plan has been developed and implemented as required by such section. Such certification shall be submitted by November 1, 2016 and by November 1 of each year thereafter, or as otherwise specified in the rules of the department.

§28-317.6 Fees. The department may charge filing fees for registration, discontinuing of use and annual certification as set forth in the rules of the department.

§28-317.7 Enforcement. Failure to register a cooling tower or submit a certification or statement required by this article shall be classified as a major violation.
