Terms and Conditions: The above-described appliances are accepted for decorative heating operation under the following conditions:

1. Venting of the above equipment is subject to Section 27-879 of the New York City Building Code.
2. Liquid propane shall not be permitted.
3. Approval of all electrical equipment, apparatus, materials and devices shall be obtained from the Department's Electrical Advisory Board before installation.
4. Units shall be used in compliance with the Energy Conservation Construction Code of New York State.
5. All shipments and deliveries of such equipment shall be provided with a metal tag, suitably placed, certifying that the equipment shipped or delivered is equivalent to that tested and acceptable for use, as provided in Section 27-131 of the New York City Building Code.

Final Acceptance 7/19/07
