Recommendation - That the above described packaged terminal air conditioning be
accepted when utilizing Refrigerant R-22, under the following conditions:

1. All equipment shall be furnished with a permanently affixed metal tag
stating that if installed in New York City within 100 feet of any dwelling unit
window, there shall be provisions with all provisions of Section 27-770, as
to maximum sound levels permitted for exterior mechanical equipment.
2. All shipments and deliveries of such equipment shall be provided with a
metal tag, suitably placed, certifying that the equipment shipped or
delivered is equivalent to that tested and accepted for use, as provided for
in Section 27-131 of the Building Code.
3. Approval of electrical equipment, apparatus, materials and devices shall
be obtained from the Bureau of Electrical Control before installation.

Final Acceptance 8/22/2000
