

## SERVICE UPDATE

### **2014 NYC Construction Codes: Electronic Filing + BIS – System Maintenance**

---

To support the implementation of the 2014 NYC Construction Codes, the Department will be performing maintenance on its electronic filing systems and the Buildings Information System.

Online filing and BIS will *not* be available beginning at 5pm on Tuesday, December 30. Service will resume at 7am on Wednesday, December 31.

#### **Affected Service**

All electronic filing services and BIS will be unavailable for the duration of the maintenance. This scheduled system update will impact the filing community and Department staff.

To avoid a short service delay, please file jobs before 5pm on Tuesday, December 30.

#### **Hours of Maintenance**

Tuesday, December 30, 2014, 5pm through Wednesday, December 31, 2014, 7am.

For more information on the 2014 Codes updates, please visit the [Service Updates page](#) of the Department's website at [nyc.gov/buildings](http://nyc.gov/buildings).
