Recommendation - That the above accelerator be accepted on condition:

1. Installation shall comply with all applicable New York City codes, rules, regulations, and testing requirements, in particular with the requirements of Subchapter 17 and with RS 17-2 of the Administrative Code.

2. Underwriters Laboratories Inc.'s listing requirements and limitations shall be adhered to.

3. Manufacturer's installation, maintenance procedures, and limitations shall be complied with.

All shipments and deliveries of such equipment shall be provided with a metal tag, suitably placed, certifying that the equipment shipped or delivered is equivalent to that tested and acceptable for use, as provided for in Section 27-131 of the Building Code.

Final Acceptance Request 2002
