Pursuant to Administrative Code Section 27-131, the following equipment or material has been found acceptable for use subject to the terms and conditions contained herein.

**MEA 217-06-E**

**Manufacturer:** Electrolux Professional S.p.A., Via I Maggio, 2, Villotta di Chions (PN), Italy 33089

**Trade Name(s):** Electrolux Professional S.p.A.

**Product:** Commercial refrigerators and freezers

**Pertinent Code Section(s):** 27-770, 27-777

**Prescribed Test(s):** RS 14-6 (UL 471)

**Laboratory:** Intertek Testing Services

**Test Report(s):** 10419031 dated August 3, 2004, revised August 1, 2005

**Description:** The appliances are cord-connected commercial refrigerators intended for connection to a 120 VAC, 60 Hz, single phase supply source. The units have an onboard compressor and onboard refrigerating circuit. All models are intended to be elevated on legs. The units are equipped with air-cooled condensers, and the refrigeration circuits have capillary tubing.

Model 9VTX 726673 is equipped with components for a lower energy consumption.
Terms and Conditions: The above-described commercial refrigerators are accepted under the following conditions:

1. Units shall be installed in accordance with manufacturer’s instructions and New York City Electrical Code requirements.

2. Adequate supply of fresh air for ventilation shall be provided into room or space enclosing equipment.

3. The installation shall not obstruct access for operation and servicing.

4. No flammable material (except electrical insulation) shall be located in the machine or wiring compartments unless specified.

5. Approval of all electrical equipment, apparatus, materials and devices shall be obtained from the Department’s Electrical Advisory Board before installation.

6. Units shall be used in compliance with the Energy Conservation Construction Code of New York State.

7. All shipments and deliveries of such equipment shall be provided with a metal tag, suitably placed, certifying that the equipment shipped or delivered is equivalent to that tested and acceptable for use, as provided in Section 27-131 of the New York City Building Code.
