Pursuant to "Promulgation of the Rules relating to Material and Equipment Application Procedures" dated November 5, 1992, The Bureau of Fire Prevention has no objections letter dated July 12, 2005, F.P. Index No. 0502045B.

**Terms and Conditions:** That the above units be accepted on condition that:

1. Installation shall comply with all applicable New York City codes, rules, regulations and testing requirements in particular with the requirements of Subchapter 17, RS 17 and RS 17 -2 of the Administrative Code.
2. Underwriters Laboratories listing requirements and limitations shall be complied with.
3. Manufacturer's installation, maintenance procedures and limitations shall be complied with.

All shipments and deliveries of such equipment shall be provided with a metal tag, suitably placed, certifying that the materials shipped or delivered are equivalent to that tested and accepted for use, as provided in Section 27-131 of the Building Code.

Final Acceptance September 16, 2005.
