Issuance # 357

OPERATIONS
POLICY AND PROCEDURE NOTICE # 13/92

To: Distribution
From: Barry G. Cox
Date: 6 July 1992
Subject: Clarification of 900A Form

Purpose:

To clarify when a 900A form (notice of proposed steam or hot water boiler installation) is required.

Effective: Immediately

Reference: Section 27-184, 27-189, 27-793

Specifics:

The Plumbing Division shall require a 900A form for the installation of a gas or oil fired boiler signed by the applicant and approved by a boiler inspector only in the following circumstances:

- . any commercial installation regardless of boiler size including an installation in a mixed use building
- . any residential building with a boiler over 350,000 btu input
- . any residential installation in a building designed for 6 or more families

900A Forms will not be required in any other case.
