

REMINDER

New York City Electrical Code Revision Committee Accepting Applications for Members

The Department is seeking applicants to serve on the 2018 Electrical Code Revision Committee. To be considered for committee membership, a completed [application](#) must be signed and submitted, including all required documentation, to the Department by **February 9, 2018**.

The NYC Electrical Code revision process will consist of six Technical Committees. Members of these committees would be responsible for reviewing and drafting revisions to the NYC Electrical Code. The Department encourages interested stakeholders, members of the architectural, construction, engineering, labor, and real estate communities to [apply](#). To learn more about the revision process, please refer to the [2018 Electrical Code Revision Cycle Handbook](#).

Submission Information & Guidelines

- Applicants **must** submit a current résumé, letter of affiliation, and government-issued photo identification with their completed [application](#).
- Completed and signed applications can be submitted by email to codeapp@buildings.nyc.gov or mailed to:

NYC Department of Buildings
Code Development Unit
Attn: Committee Selection
280 Broadway, 7th Floor
New York, NY 10007

NOTE: Applicants are required to undergo a background investigation.

Membership Requirements to Become a NYC Electrical Code Committee Member

The Department strives to keep the City's Codes up-to-date, in this effort the Department appoints volunteer members to the Code Committees to ensure a balanced representation of stakeholders. Applicants are directed to indicate the committee(s) they request to join, and in order to serve, committee members are expected to:

- Possess subject matter expertise in the content of an assigned committee;
- Be available to meet on a regular basis, and complete their assigned tasks; and
- Comply with the terms described in the [2018 Electrical Code Revision Cycle Handbook](#).

POST UNTIL: February 26, 2018
