

STEP 1: LICENSE CRITERIA

To become a New York City-licensed **Class A Hoist Machine Operator**, you **must**:

- Meet the License Qualifications (see STEP 2)
- Apply for and pass the appropriate National Commission for the Certification of Crane Operators or the Crane Institute Certification written and practical examinations (see STEP 3)
- Apply for and pass the Background Investigation (see STEP 4)
- Apply for your license (see STEP 5)

STEP 2: LICENSE QUALIFICATIONS

All applicants applying for a Class A Hoist Machine Operator license **must** meet the following qualifications:

- Be at least eighteen (18) years old
- Be able to read and write the English language
- Be fit to perform the work authorized by the license
- Have good moral character so as not to adversely impact your ability to perform the duties and responsibilities of a Hoisting Machine Operator
- Have at least three (3) years of experience (minimum), within five (5) years prior to applying for a Hoisting Machine Operator license, operating hoisting machines in New York City under the direct supervision of a Class A or B Hoisting Machine Operator licensed by the Department. The experience must have been obtained on hoisting machines of a type, size, and capacity authorized to be operated by a Class A licensed hoisting machine operator.

For applications submitted on or after July 1, 2019, at least two (2) years of the required three (3) years of experience must have been in the operation of mobile cranes with a manufacturer's rated capacity in excess of 50 tons (45.36 t) or in the operation of tower cranes. Additionally, the three (3) years of experience must include but not be limited to outrigger placements incorporating at least one hundred (100) crane set ups*, 25 of which must have occurred on machinery for which a NYC Class A license is required. All set-ups must have occurred at a jobsite, crane yard, training center, or other location acceptable to the commissioner.

*Where an applicant for a Class A Hoisting Machine Operator license already possesses a Class C Hoisting Machine Operator license, the requirement for the remaining 75 set-ups on non Class A machinery is waived.

STEP 3: EXAM REQUIREMENTS

To become a licensed **Class A Hoist Machine Operator** the applicant **must** pass the appropriate National Commission for the Certification of Crane Operators (NCCCO) or the Crane Institute Certification (CIC) written and practical examinations. Candidate handbooks and application information can be found on their websites – NCCCO, www.nccco.org and CIC, www.craneinstitute.com.
