

# UPCOMING CHANGE

## Inspection Ready: Cranes and Derricks Certifications

In accordance with the technology enhancements outlined in our *Building One City* plan, the Department of Buildings has launched Inspection Ready, our new online inspection request and routing system. Inspection Ready will allow job applicants, permit holders and owners to request development inspections online.

### Cranes and Derricks Certifications

**Beginning January 11, 2016 Owners, LPs, and their Delegates must use Inspection Ready to submit Mast Climber (MC-5) and Technical Report: Statement of Responsibility (CD-8/10E) certifications. Paperwork will no longer be accepted at the Cranes and Derricks counter. All MC-5 and CD-8/10E forms must be uploaded through Inspection Ready.**

Instructions on how to use Inspection Ready to submit Cranes and Derricks certifications can be found on the Buildings website: <http://www1.nyc.gov/site/buildings/industry/insp-ready-resources.page>. Look for the “Cranes and Derricks: Certifications” user manual or the “How to Submit Cranes and Derricks – Certifications” video.

### Mast Climber (MC-5)

**Record MAST123:  
Mast Climber**

**Work Location**
