

New License Application Service Notice – Starting September 7, 2021, all new license applications are required to be submitted online at www.nyc.gov/dobnow. See the **New License Application User Guide** for step-by-step directions.

The Licensing & Exams Unit will **not** be accepting any walk-in transactions, or paper applications for this process

STEP 1: EXAM GUIDELINES

To obtain a Special Rigger License, you **must** meet the following qualifications:

- Be at least eighteen (18) years old
- Be able to read and write the English language
- Be fit to perform the work authorized by the license
- Have good moral character so as not to adversely impact your fitness to perform the duties and responsibilities of a Master Plumber

In addition, all applicants **must** meet one (1) of the following levels of experience:

- Have at least seven (7) years of total experience* within the ten (10) years prior to application in the planning or design, and installation of plumbing systems under the direct and continuing supervision of a licensed Master Plumber in the United States.
- Have received a bachelor's degree in mechanical engineering or appropriate engineering technology from a college or university registered by the New York State Department of Education and have had at least five (5) years of total experience within the seven (7) years prior to application in the planning or design, and installation of plumbing systems under the direct and continuing supervision of a licensed Master Plumber in the United States. At least two (2) years of this experience **must** be in New York City.
- Be a New York State-licensed professional (Registered Architect or Professional Engineer) and have at least three (3) years of experience within the five (5) years prior to application in the planning or design, and installation of plumbing systems in the United States under the supervision of a licensed Master Plumber. At least one (1) year of this experience **must** be in New York City
- Have at least seven (7) years of total experience* within the ten (10) years prior to application with at least two (2) years of experience working in the planning or design, and installation of plumbing systems under the direct and continuing supervision of a licensed Master Plumber in the United States. The balance of experience may be obtained by performing maintenance, replacement and repair plumbing work on existing buildings while working for a New York City agency as long as the work is under the direct and continuing supervision of a licensed Master Plumber supervisor employed by the City agency.
- Have experience as an employee of a government agency, private inspection agency or other entity accepted by the Buildings Commissioner whose duties primarily involve the inspection of plumbing work for compliance with the New York City Plumbing Code and/or other laws relating to the installation, alteration or repair of plumbing systems and this experience** combined with your work experience equals seven (7) years of work experience required within the ten (10) Year prior to application.

***Such applicants can count 50 percent of the years he or she was satisfactorily employed in the above work towards the seven (7) years of total required work experience as long as it was obtained within ten (10) years prior to application. The number of years credited shall not exceed two and a half (2.5) years of the satisfactory experience. The remaining balance **must** be obtained by working in the planning or design and installation of plumbing systems under the direct and continuing supervision of a licensed master plumber in the United States.*

As of July 1, 2011, at least two (2) years of the required practical experience **must be obtained as a Department-registered Journeyman Plumber. Please see the full text of Title 28 of the New York City Administrative Code for all the qualifications requirements.*
