Issuance # 93

OPERATIONS
POLICY AND PROCEDURE NOTICE # 9/88

To: Distribution

From: Fredric J. Pocer, P.E., Assistant Commissioner

Date: March 15, 1988

Subject: Reconsideration of Netting Requirements

Purpose: To establish a policy to be followed for reconsideration of the requirements of Local Law 61/87.

Effective:

Specifics:

Requests for reconsideration should be submitted to the Borough Superintendent with the appropriate revised plans.

Site Safety Project

If the premises requires inspection under the Site Safety rules and regulations, the Borough Superintendent will notify the Assistant Commissioner of Operations of the request and of any comments they may have regarding the reconsideration. B.E.S.T. will visit the site, review the proposed variance with the appropriate party at the construction site, and make a recommendation. Their findings will be written in a report and forwarded to the Assistant Commissioner of Operations along with the plans.

Non-Site Safety Project

The Borough Office will visit the site, review the proposed variance with the appropriate party at the construction site

and make a recommendation to the Borough Superintendent. The Borough Superintendent will review the request and the inspection information and forward a written report and recommendation to the Assistant Commissioner of Operations along with the plans.

Final Disposition:

The Assistant Commissioner of Operations will review the reconsideration, recommend its final disposition and advise the Borough Superintendent of the decision of the Department. A formal response will be sent to the applicant by the Borough Superintendent.

Applicant:

The applicant must submit requests for reconsideration of the requirements of Local Law 61/87 and the proposed site safety plan to the appropriate Borough Superintendent for review. If the job is a Site safety project, the applicant must also submit a copy of the request and plans to the Director of B.E.S.T. Applicant must contact the B.E.S.T. Office, if the premises is a site safety building, or the appropriate Borough Office to schedule an appointment for an inspection.

If the reconsideration is approved, the applicant must submit an amended site safety plan to the appropriate Borough Office.
