

## SERVICE UPDATE

### ***NEW* Application Fees for New Buildings and Alteration Filings**

---

**Effective March 5, 2018, new permit fees specified in Local Law 56 of 2016 will be programmed in the Department systems.**

**New permit fee information as follows:**

Amendments and Corrections

Beginning March 5, 2018 all amendments and corrections affecting fees will require the entire job to be re-calculated under the new fee structure.

Filings (Old Filing Fee Structure)

Any job pre filed in (status 'A') or uploaded through eFiling before June 9, 2016 will be calculated under the prior fee structure.

Filings (New Filing Fee Structure)

Jobs created or uploaded on or after June 9, 2016 will incur the new fees. Subsequent filings made on or after June 9, 2016, regardless of when they were initially filed, will be calculated under the new fee structure.
