

REQUEST FOR NOMINATIONS

ELECTRICAL and MASTER PLUMBER & MASTER FIRE SUPPRESSION PIPING CONTRACTOR LICENSE BOARDS

The Department of Building is seeking applicants from the electrical and plumbing industries, architectural and engineering communities as well as other industry stakeholders to serve as board members on the Electrical License Board and the Master Plumber & Master Fire Suppression Piping Contractor License Board. The application deadline to be considered for participation is **February 7, 2017**.

ELECTRICAL LICENSE BOARD

Electrical License Board (ELB) reviews applications for electrical licensure and licensee compliance with Electrical Code administrative provisions.

Time Commitment

Potential members should expect to meet twice a month for a total of approximately seven hours. Board membership is voluntary.

Member Criteria

Applicants may be nominated by a third party or apply directly and **must** satisfy one of the following requirements:

- Licensed Master Electricians actively engaged in the trade
- Electrical Journeyman
- Electrician employed by a Public Service Corporation (utility company)
- Licensed Professional Engineer (P.E.) or a Registered Architect (R.A.) – with a minimum of five years of experience
- Real Estate Owner/Manager

MASTER PLUMBER & MASTER FIRE SUPPRESSION PIPING CONTRACTOR BOARD

The Master Plumber (MP) License Board reviews applications for licensure for Master Plumbers and Master Fire Suppression Piping Contractors.

Time Commitment

Potential members **must** be able to meet approximately once a month. Board membership is voluntary.

Member Criteria

The MP Board is comprised of Licensees from the plumbing, sprinkler, and fire suppression industries, including representatives from the real estate, architectural and engineering communities. Applicants **must** be nominated by a third-party and belong to at least one of the following organizations:

- Licensed Master Plumbers – Association of Contracting Plumbers of the City of New York, Inc. and Master Plumber’s Council of the City of New York, Inc.
- Licensed Master Fire Suppression Piping Contractors – Mechanical Contractors Association of New York, Inc.
- Registered Journeyman Plumbers –United Association of Plumbers, Local
- Registered Journeyman Fire Suppression Piping Installers – United Association of Steamfitters’ Local Union 638
- NYS licensed Professional Engineer with a minimum of five years of experience in plumbing systems design
- NYS Registered Architect
- NYS licensed Professional Engineer with full membership in the Society of Fire Protection Engineers
- Real Estate Owner/Manager or their representative
