

Plumbing Operations Committee

The Department of Building is seeking applicants from the plumbing industries, architectural and engineering communities and other industry stakeholders to serve as members on the Plumbing Operations Committee. The application deadline to be considered for participation is **February 8, 2019**.

Time Commitment

Potential members **must** be able to meet approximately once a month for four hours. Board membership is voluntary.

Member Criteria

The Plumbing Operations Committee reviews plumbing related technical and operational issues. The Committee is comprised of individuals from the plumbing, sprinkler, and fire suppression industries, including representatives from the real estate, architectural and engineering communities. Applicants **can** be nominated by a third-party and belong to one of the following organizations:

- Licensed Master Plumbers – Association of Contracting Plumbers of the City of New York, Inc. and Master Plumber’s Council of the City of New York, Inc.
- Licensed Master Fire Suppression Piping Contractors– Mechanical Contractors Association of New York, Inc.
- Registered Journeyman Plumbers – United Association of Plumbers, Local 1
- Registered Journeyman Fire Suppression Piping Installers – United Association of Steamfitters’ Local Union 638
- NYS licensed Professional Engineer
- NYS Registered Architect
- NYS Professional Engineer with full membership in the Society of Fire Protection Engineers
- Real Estate Owner/Manager or their representative
- Utility Company operating in New York State
