Introduction

DOB NOW: Inspections Overview

DOB NOW: Inspections is an online portal for Owners, Licensed Professionals (LPs)\(^1\), and their Delegates to conduct Inspection-related business with the Department of Buildings. DOB NOW: Inspections organizes information using Records. Records are Jobs, BPP Jobs, Place of Assembly, Permits, Devices, Notices, Work, Applications, Certifications, Sign Off Requests & Gas Authorization Requests. Using DOB NOW: Inspections, Licensed Professionals, Owners, and their Delegates will be able to request the following types of Development Inspections online:

<table>

<tr>
<td>Elevators</td>
<td>Cranes &amp; Derricks</td>
</tr>
<tr>
<td>Oil Burning Equipment</td>
<td>BPP</td>
</tr>
<tr>
<td>High Rise Initiative</td>
<td>Sustainability</td>
</tr>
</tbody>
</table>

After registering for an account that is associated to your Records, Owners, LPs, and their Delegates can use DOB NOW: Inspections to:

- View information related to your Records
- Request Inspections and view the Results
- Request Gas Authorizations and Plumbing Sign Offs
- Receive emails at milestones in your Inspection cycle
- Upload documentation to certify certain Objections
- Assign Delegates (delegate responsibility to other Registered Users)
- Submit Certification documentation (LPs and Crane Owners only)
- Upload PVT Inspection Results (PVTs only)
- Group Records into manageable ‘Collections’

The purpose of this User Manual is to provide instructions on how to schedule Advance Notice Inspections, submit Advance Notice Inspection Results, and submit Results Only Certification documentation in DOB NOW: Inspections.

---

\(^1\) LPs are defined as: Electrical Contractors, Elevator Agencies/Inspectors, Fire Suppression Contractors, General Contractors, Oil Burner Installers, Master Plumbers, Sign Hangers, Professional Engineers, Registered Architects, and Registered Landscape Architects
Advance Notice Inspections

Master Plumbers and Fire Suppression Contractors can schedule and result Advance Notice Inspections using DOB NOW: Inspections. An Inspector from the Department of Buildings may attend the Inspection. Advance Notice Inspection Results can only be submitted after the scheduled inspection date has passed. Inspection Results must be submitted using DOB NOW: Inspections for all open Advance Notice Inspections, including those scheduled prior to 7 Dec 2015.

Please note:

- Master Plumbers cannot schedule Advance Notice Inspections or submit results for Sprinkler Records
- Fire Suppression Contractors cannot schedule Advance Notice Inspections or submit results for Plumbing Records

If you are superseding a Master Plumber or Fire Suppression Contractor who has already scheduled an Advance Notice, the original Advance Notice will be closed. You must schedule your own Advance Notice Inspection.

Scheduling an Advance Notice Inspection

Advance Notice Inspections must be scheduled using DOB NOW: Inspections. This capability enables you to designate a specific date and time when an Advance Notice Inspection will be conducted.

Advance Notice Inspections cannot be scheduled if the:

- Permit is In Process or Revoked
- Work type is already Signed Off
- Job is Signed-Off
- Job-document is Withdrawn
- Job is Withdrawn or Admin-Closed
- Job has a failed audit
- Business insurance is expired
- Permit has an existing open Inspection Request (unresulted workorder)
The types of Advance Notice tests/Inspections that are available in DOB NOW: *Inspections* are listed in the table below.

*Advance Notices can no longer be scheduled for Gas Tests in Manhattan, Brooklyn and Staten Island. Users must request a physical inspection if a Gas Test inspection is needed in these Boroughs.*
To schedule an Advance Notice Inspection:

1. Navigate to the DOB NOW: Inspections login page from the Department of Buildings’ website.

2. Enter your DOB NOW: Inspections User Name and Password and click Login. Please refer to the Account Registration and Management User Manual before moving forward with the steps below if you do not already have a DOB NOW: Inspections account.
3. From the Home Page, click **Search Records**.
4. Locate the appropriate Record. This can be done in one of two ways:
   a. **Option 1**: Navigate through your list of Records using the `<Prev, Next>`, or the page number links. If the page does not advance, please refresh your browser and try again.
   b. **Option 2**: Scroll down to the **General Search** area and search for Records. Please refer to the **Searching User Manual** for additional instructions on how to search in DOB NOW: Inspections.
5. From the list of Records, click the **ID Number** in the row of the applicable Record.
6. Click **Actions** in the Record Details section.

7. Select the radio button next to the appropriate Advance Notice option. Click **Continue Application**.
8. Enter the **Date** and select a **Start Time** for the Inspection.

   *Please Note:*
   - The date selected must be at least two business days (excluding holidays) in the future.
   - Advance Notice Inspections cannot be conducted on holidays or weekends.
   - Advance Notice Inspections can only be conducted Monday through Friday, between 8:00am and 3:00pm.
   - Start Times are in half-hour increments.
9. Click **Continue Application**.
10. Each Inspection on each floor must be entered into a separate row in the table. This can be done in one of two ways:
   a. **Option 1**: If you need to enter only one Inspection, click **Add Inspections**. This will allow you to enter one row of information.
   b. **Option 2**: If multiple Inspections are required, click the **down arrow** and select the number of rows needed.
11. Select the **Inspection Type** and **Floor** from the dropdown for each row in the table. These details must be entered separately for each Inspection on each floor.
12. Include Request Comments and click Submit.
13. Click **Continue Application**.

14. You are required to upload an image of your seal. You may also upload additional documents. Click **Upload Attachment**.
15. The File Upload page will appear. Click **Select Files** to locate the file(s) from your computer. In addition to any documents you are uploading, you are required to upload an image of your seal.

**Please Note:**
- *Microsoft Silverlight is required to upload documents in DOB NOW: Inspections.*
  If you are having problems with Google Chrome we recommend switching to Internet Explorer.
- *Multiple documents can be uploaded.*
- *The maximum file size allowed is 10 MB.*
- *DOB signatures and/or official seals must be visible in the uploaded file. If the document has a raised seal, the seal should be made visible by using a pencil to shade over the raised portion of the seal prior to scanning and uploading.*
16. Once the file has uploaded, click **Finish**.

17. Select the appropriate document type from the **Type** dropdown. In addition to any documents you are uploading, you are required to upload a document type of "LMP/FSC/OB License Seal" before continuing.

*Please Note: The document types available for selection are:*
  - **Additional Supporting Documentation**
  - **LMP/FSC/OB License Seal**
18. The Description field is optional.
19. Click **Save**.
20. Upload additional attachments if necessary by clicking **Upload Attachment** and repeating the previous steps to upload the document. Click **Continue Application**.

21. Check the **checkbox** to indicate acceptance of the OP-98 Affirmation. Click **Continue Application**.
22. Click **Continue Application**.
23. The confirmation message below will display.

![Confirmation Message]

24. You will receive an email notification confirming the Department received the date and time of the Advance Notice Inspection.
Verifying the Date and Time of the Advance Notice Inspection

In addition to receiving a confirmation email, you can use DOB NOW: Inspections to verify the date and time of the Advance Notice Inspection after it has been scheduled.

1. Navigate to the DOB NOW: Inspections login page from the Department of Buildings’ website.

2. Enter your DOB NOW: Inspections User Name and Password and click Login. Please refer to the Account Registration and Management User Manual before moving forward with the steps below if you do not already have a DOB NOW: Inspections account.
3. From the Home Page, click **Search Records**.

To use DOB NOW: **Inspections**, select from one of the options below:

6. Click the **arrow** to the left of **More Details** to expand the section.

7. Click the + to the left of **Application Information**.
8. The Advance Notice Inspection date and time will display under THE REQUEST DATE AND TIME section.
Rescheduling an Advance Notice Inspection

Advance Notice Inspections cannot be rescheduled or adjusted once scheduled. If the date or time of an Advance Notice Inspection needs to change, it must be cancelled. A new Advance Notice Inspection can then be scheduled.

Please refer to the Cancelling an Advance Notice Inspection and the Scheduling an Advance Notice Inspection sections of this manual for more information.

Cancelling an Advance Notice Inspection

You must conduct the specified Inspection on the date and time given in the Advance Notice. If this is not possible, please contact the Department of Buildings using the information listed in the notification email the Department sent when it received the date and time of the Advance Notice Inspection. Cancellations must be received prior to 8:30am on the scheduled date.
Submitting Advance Notice Results (Scheduled After the Launch of DOB NOW: Inspections)

Master Plumbers and Fire Suppression Contractors can result Advance Notice Inspections using DOB NOW: Inspections. Advance Notice Inspection Results can only be submitted 24 hours after the scheduled inspection time has passed. The purpose of this section is to provide instructions on how to submit Results for an Advanced Notice Inspection which was scheduled using DOB NOW: Inspections.

What to Do After a Failed Spot Check

If a Spot Check Result is Fail, all users associated to the Record will be blocked from submitting Certified Inspection Results and from requesting future Advance Notice Inspections on that particular Record. Please Note: The LP will not be blocked from submitting Certified Inspection Results or requesting Advance Notice Inspections on other Records.

There are two options for moving forward following a failed Spot Check.

1. **Option 1:** Request a physical Inspection.
   - Users associated to the Record will be able to request a physical Inspection using DOB NOW: Inspections. Please refer to the Inspections - Requesting Cancelling and Viewing Results User Manual for instructions on how to request an Inspection.

2. **Option 2:** Have the PE or RA submit the Advance Notice Results.
   - A Professional Engineer (PE) or Registered Architect (RA) can come in-person to the Department of Buildings to advise that they will be submitting Results on behalf of the LP that failed the Spot Check.
   - Buildings will manually add the PE or RA to the Record.
   - The PE or RA will then have the remainder of that day to submit Results.
     - If Results are not submitted by the end of that same day, the PE or RA’s ability to submit Results will be removed and they will need to return in-person to the Department of Buildings to repeat this process.
Results Only Certifications

Results Only Certifications must be submitted using DOB NOW: Inspections. These Results can only be submitted by a Master Plumber, Fire Suppression Contractor, Registered Architect, or Professional Engineer.

Please note:

- Master Plumbers cannot submit Sprinkler Certifications
- Fire Suppression Contractors cannot submit Plumbing Certifications

The types of Results Only Certifications that are available in DOB NOW: Inspections are listed in the table below.
