POLICY AND PROCEDURE # 22/89

TO: Distribution

FROM: Stewart D. O'Brien

DATE: October 24, 1989

SUBJECT: Folder Retention at the Borough Offices

The following previously established procedures with respect to removal of plans and folders from the Department's Plan Desk files are reaffirmed.

1. Applicants must leave an acceptable form of I.D. (described below) with a completed set of requisition slips.

Acceptable forms of identification are strictly limited to the following:

- a. Valid New York State Driver's License (out of state driver's licenses and architect/engineer I.D. are not acceptable.)
 - b. City Employee Photo I.D. Card
 - c. Non-City Employee Photo I.D. Card, issued by the Department of Buildings
 - d. Written Authorization from the Borough Manager. Such authorization must be date specific and may not be for more than one day at a time. A copy of any/all written authorizations to remove folders must be sent to the Investigation/Disciplinary Unit.
2. A yellow charge card is to be inserted in the files in place of each removed folder.
 3. A requisition slip with the I.D. is to be retained and enclosed in a plastic bag and a supplementary slip, filled out identically, is to be given to the applicant.

4. A maximum of five folders may be removed by the same person. The I.D. must be retained until the last folder is returned.
5. When a folder is returned, the applicant's requisition slip is compared to the slip and I.D. in the bag. If the information is identical, the requisition slip is then stamped with a special Department of Buildings stamp.
6. At 4:30 p.m. all unclaimed I.D.'s are to be taken by the supervisor of the **Plans Desk to the Borough Manager's Office.**
7. **The Borough Manager may hold unclaimed I.D. until Friday of the work week in which they were originally submitted.** If the applicant returns the folder within the work week it was originally checked out, he or she must go to the Borough Manager to obtain the return of the I.D. Before returning the I.D. to the applicant, the Borough Manager shall have him/her sign the attached Statement of Accountability and Acknowledgement of DOB Plan Desk Charge Out Policy. (See Attachment 1 - Form OP-7.)
8. **All unclaimed I.D. for the work week, including I.D. left on Friday, must be delivered to the Investigation/Disciplinary Unit by noon Monday.** Applicants will then be required to appear at the I.D.U., 11 Park Place, 2nd Floor, New York, N.Y. 10007 to claim the I.D. before folder check out privileges are restored.

A sign is to be posted, in clear view, at the Plan Desk indicating the forms of acceptable identification and DOB charge out policy (see Attachment 2).

The Department of Buildings will provide a Non-Employee I.D. Card, upon payment of a processing fee of \$10.00, to anyone with valid identification who requests it (i.e., architects, engineers and expeditors, etc.). These cards will reflect "Non-Employee" status and will be marked with a large F (for folders only). These cards do not permit access to any areas in the Department not currently accessible to the general public.

To obtain a Non-Employee I.D. Card, the individual must make an appointment by telephoning Ms. Ruth Badillo in the Personnel Division at (212) 312-8024.
