## **STATEMENT OF BASIS AND PURPOSE**

This rule is promulgated as an update of the Department's current rule governing adjudications. 1 RCNY 13-11 et seq. It makes three changes. First, rather than separately list each license type whose disciplinary proceedings are returnable at the Office of Administrative Trials and Hearings ("OATH"), it provides that disciplinary proceedings for all license types shall be returnable there. Second, it updates the types of proceedings returnable at OATH to reflect recent legislation, including changes enacted as part of the New York City Construction Codes. Finally, it formally eliminates the roles of the Master Electricians License Board and the Plumbing and Fire Suppression Piping Contractor License Board in the disciplinary referral process. While the Department expects these Boards to continue to consider and make recommendations on certain referrals, this change is designed to enable the Department to proceed expeditiously to OATH as a routine matter.
