Working with the City’s rulemaking agencies, the Law Department, and OMB, the Office of Operations conducted a retrospective rules review of the City’s existing rules, identifying those rules that will be repealed or modified to reduce regulatory burdens, increase equity, support small businesses, and simplify and update content to help support public understanding and compliance. The repeal of 1 RCNY 7000-01 was identified through this initiative.

The Department of Buildings’ authority for these rules is found in sections 643 and 1043 of the New York City Charter.
