###

The New York City Civilian Complaint Review Board (CCRB) is the largest police oversight entity in the nation and is empowered to investigate, mediate, prosecute, and recommend disciplinary action for complaints alleging misconduct by NYPD officers. See NYC Charter § 440(c)(1). The agency's jurisdiction includes excessive and unnecessary force, abuse of authority, discourtesy, and use of offensive language. To further this mission, CCRB issues monthly, biannual, and special statistical and qualitative reports analyzing trends and recurring issues arising from the many thousands of civilian complaints it receives each year.
