**RE: Disclosures of donations to and on behalf of the Brooklyn Borough President's Office and affiliated not-for-profit organizations**

Dear Mr. Hawley:

Pursuant to COIB Advisory Opinions 2003-4 and 2008-6, I am writing to provide amended information concerning donations made to and on behalf of the Brooklyn Borough President’s Office for the period April 1, 2016 – September 30, 2016.

Enclosed is an updated spreadsheet detailing all donations received by this office that are greater than or equal to $5,000 for the period. The spreadsheet is amended to reflect the total value of donations received by Visa. In addition to a monetary donation made by Visa to the Brooklyn Borough President’s Office, there was also an in-kind donation made to support the ‘Dine in Brooklyn’ initiative which was not previously reported.

I trust that this information will be sufficient to comply with all relevant COIB protocol. Should you require any additional information, please do not hesitate to contact me.

Sincerely,

Greetings,

The reports for the period April 1, 2016, through September 30, 2016, for donations to City agencies and for official fundraising for unaffiliated not-for-profits, required by the Board’s Advisory Opinion Nos. 2003-4 and 2008-6, respectively, are due to the Board by November 15, 2016.

AO 2003-4 (attached, see especially pages 22-23) requires a listing of all donations of money, goods, or services with a value of $5000 or more.

AO 2008-6 (also attached, see especially pages 12-13) requires a listing of the names of all not-for-profit entities for which City agencies, based on a determination by their agency head, solicited support and/or endorsed.

***Please note that these reports, in whatever format you choose to submit, as well as all previously submitted reports, will soon be posted on the Board’s website.***

Please be advised that:
1) The two above-referenced Advisory Opinions contain different disclosure requirements.
2) For any disclosure for which your agency requests that the donor remains anonymous, that is, where you request a waiver of the requirement to disclose the identity of the donor, you must include a separate document stating the following: a) the identity of those staff of your agency who know the identity of the donor, b) that your agency has received a statement from the donor that the donor, the donor’s family, and any firm in which the donor has a controlling interest or has a high executive position are not engaged in business dealings with your agency, or, if that is not the case, that the donor is not involved in such business dealings, and c) that your agency will maintain on file the donor’s statement and that to the best of your agency’s knowledge that statement is accurate.
3) If another individual at your agency can better respond to these disclosure requirements, please provide me with his or her name and contact information.

If you have any questions about these reports, you may contact me.

Re: Semi-annual report of donations to, and fundraising efforts by,
the New York City Department of Environmental Protection
for the period April 1, 2016 through September 30, 2016

Dear Ms. Gonzalez:

I am writing in compliance with the New York City Conflict of Interest Board’s Advisory Opinions 2003-4 and 2008-6, which require this agency to disclose (a) donations received by the agency or affiliated not-for-profit entities (“NFPs”) that exceed $5,000 in aggregate value from a single donor and (b) affiliated and unaffiliated NFPs for which the agency sought private contributions.

Please be advised that the New York City Department of Environmental Protection (“DEP”) received reportable donations for the above-referenced reporting period as follows:

- New York Water Environment Association donated travel expenses with a cumulative value of $17,809.25 for DEP personnel to attend the Water Environment Federation Technical & Exhibition Conference “Operations Challenge” competitions in June 2016 and September 2016. Please see the attached documents for further details. The cumulative total value of donations received from this entity from October 1, 2014 through September 30, 2016 is $33,405.85.

During this reporting period, DEP did not engage in any fundraising activities on behalf of any unaffiliated NFPs. (DEP does not have any affiliated NFPs.)

Please be further advised that DEP receives requests from producers for film shoots on DEP-managed property. DEP informs the producers that they may make donations to the Mayor’s Fund to Advance New York City (“Fund”), which is a 501(c)(3) not-for-profit organization (“NFP”). DEP may use money from the Fund for certain expenditures.
If any additional information is required, please do not hesitate to contact me at (718) 595-6594.

Very truly yours,

Subject: Reminder: Disclosure of Donations and Fundraising Efforts Due November 15, 2016

Greetings,

The reports for the period April 1, 2016, through September 30, 2016, for donations to City agencies and for official fundraising for unaffiliated not-for-profits, required by the Board’s Advisory Opinion Nos. 2003-4 and 2008-6, respectively, are due to the Board by November 15, 2016.

AO 2003-4 (attached, see especially pages 22-23) requires a listing of all donations of money, goods, or services with a value of $5000 or more.

AO 2008-6 (also attached, see especially pages 12-13) requires a listing of the names of all not-for-profit entities for which City agencies, based on a determination by their agency head, solicited support and/or endorsed.

**Please note that these reports, in whatever format you choose to submit, as well as all previously submitted reports, will soon be posted on the Board’s website.**

Please be advised that:

1) The two above-referenced Advisory Opinions contain different disclosure requirements.
2) For any disclosure for which your agency requests that the donor remains anonymous, that is, where you request a waiver of the requirement to disclose the identity of the donor, you must include a separate document stating the following: a) the identity of those staff of your agency who know the identity of the donor, b) that your agency has received a statement from the donor that the donor, the donor’s family, and any firm in which the donor has a controlling interest or has a high executive position are not engaged in business dealings with your agency, or, if that is the case, that the donor is not involved in such business dealings, and c) that your agency will maintain on file the donor’s statement and that to the best of your agency’s knowledge the statement is accurate.
3) If another individual at your agency can better respond to these disclosure requirements, please provide me with his or her name and contact information.

If you have any questions about these reports, you may contact me.

Re: West 108th Street Development
    HHAP Application for Capital Funds for Supportive Housing

Dear Mr. Freitag:

This letter is to confirm that the New York City Department of Homeless Services will refer 115 single adults to the new West 108th Street development on Manhattan’s Upper West Side.

The West 108th Street development, sponsored by the West Side Federation for Senior and Supportive Housing, Inc. ("WSFSSH"), will house 194 units of affordable and supportive housing in addition to the expanded Valley Lodge shelter.

DHS confirms that it will work with WSFSSH to provide suitable referrals from the shelter system for the 115 units of permanent supportive housing.

Separately, DHS will be entering into a contract with WSFSSH for the Valley Lodge shelter.

We are excited about this noteworthy project that promises to insure long-term permanency for supportive housing residents and allows all residents of the building to become part of a larger community within the building and within the neighborhood.

Sincerely,

Re: Mill Brook Terrace, a NextGen NYCHA WSFSSH development for low income seniors

Dear Mr. Freitag:

This letter is to confirm that the New York City Department of Homeless Services will refer 48 senior households to the new Mill Brook Terrace development in the Bronx. Mill Brook Terrace is a 159-unit residence for low-income seniors in Mott Haven sponsored by the West Side Federation for Senior and Supportive Housing, Inc. ("WSFSSH").

DHS can confirm that it will work with WSFSSH and NYCHA to provide suitable referrals from the shelter system for this project. We understand that the project will have 100% Project Based Vouchers, and that eligible seniors must be 62 years or older.

Sincerely Yours,

Chief Executive Officer
Community Health Center of Richmond

Staten Island, NY 10302

Dear Mr. Thompson:

The Mayor’s Office to Combat Domestic Violence (OCDV) is pleased to offer OCDV’s support to your organization’s grant application for the Services Area Competing (HRSA-17-052) funding opportunity through the DHHS/Bureau of Primary Health Care.

OCDV formulates policies and programs, coordinates the citywide delivery of domestic violence services, and works with diverse communities to increase awareness about domestic violence and the services available for victims and their children. Among its key initiatives, OCDV operates the NYC Family Justice Centers (FJCs) which provide co-located comprehensive civil legal, criminal, justice, counseling and supportive services for victims of intimate partner violence.

The Community Health Center of Richmond (CHCR), a diagnostic and treatment center providing critical medical care for the underserved community in the North Shore of Staten Island, is a current partner of OCDV’s NYC Family Justice Center in Staten Island (SIFJC) and was a prior long-term partner of OCDV’s Staten Island Domestic Violence Response Team (DVRT) until that program ended when the SIFJC opened in June 2016. CHCR refers survivors of intimate partner violence to the SIFJC for coordinated comprehensive services and CHCR is a valuable partner helping SIFJC clients in crisis obtain needed medical services.

We recognize the important need for continued primary care services in the North Shore of Staten Island and strongly support your application. We look forward to assisting your project in any way that we can.

Sincerely,

To Whom It May Concern:

The Mayor’s Office to Combat Domestic Violence (OCDV) is pleased to offer OCDV’s support to Cornell Tech for a research initiative on digital security and privacy in abuse settings, focused on intimate partner violence. This research project would provide an opportunity to gain a better understanding of how digital technologies play an increasing role in abusive relationships, understanding that it is extremely important to identify and mitigate digital security and privacy threats that can often jeopardize victim safety.

OCDV formulates policies and program, coordinates the citywide delivery of domestic violence services and works with diverse communities to increase awareness about domestic violence and the services available for victims and their children. Among its key initiatives, OCDV operates the NYC Family Justice Centers (FJC) which provide co-located comprehensive civil legal, criminal justice, counseling and supportive services for victims of intimate partner violence.

Professor Dell and Professor Ristenpart at Cornell Tech have outlined a robust research project that has the potential to improve the design of technologies that are more resilient to exploitation by abusive partners and to inform the design of future digital intervention tools for improving survivor safety. We strongly support this application and look forward to assisting this project in any way that we can.

LINKAGE AGREEMENT FORM

Pursuant to the proposal submitted by Legal Services NYC (LSNYC) in response to the RFP from the Office of Court Administration the proposer, if funded, will establish a programmatic linkage with the NYC Mayor's Office to Combat Domestic Violence (OCDV). The grant, if awarded, would enable LSNYC to expand their capacity to provide civil legal services and to work collaboratively to support other community based organizations. OCDV supports LSNYC's Office of Court Administration funding application.

Among its key initiatives, OCDV operates the NYC Family Justice Centers which provide co-located comprehensive civil legal, criminal justice, counseling and supportive services for victims of intimate partner violence.

LSNYC is a law firm dedicated to eliminating poverty and fighting for justice by providing free legal representation to low-income NYC residents in civil matters. Each year LSNYC represents and advises thousands of low-income people who need help with civil legal problems in the areas of housing, foreclosure, family, government benefits, Supplemental Security Income/Social Security, Immigration, consumer, tax, employment, and education law.

LSNYC and the NYC Mayor's Office to Combat Domestic Violence have agreed to a linkage for the purposes of the RFP from the Office of Court Administration. Through this programmatic linkage, the NYC Family Justice Centers will provide LSNYC clients with free, confidential services, as available and appropriate. In turn, LSNYC will provide eligible Family Justice Center clients with services it determines to be appropriate including legal advice and counsel, preparation and execution of legal documents, legal representation, and/or referrals. Among the following parties:

1. The Mayor's Fund to Advance New York City ("Mayor's Fund");

2. The following governmental agencies ("agencies"):
   - New York City Mayor's Office to Combat Domestic Violence ("OCDV")
   - Center for Economic Opportunity ("CEO"); and

3. The following nonprofit, nongovernmental victim services organizations ("organizations"):
   - The New York City Alliance Against Sexual Assault ("Alliance")
   - Safe Horizon
   - Voces Latinas ("VL")
   - Mount Sinai Sexual Assault and Violence Intervention ("SAVI") Program
   - Sanctuary for Families ("SFF")

Each of the Mayor's Fund, agencies, and organizations is a "partner" and collectively are "partners".

This Memorandum of Understanding (MOU) affirms the mutual support that the Mayor's Fund and each agency and organization will provide in the demonstration initiative focused on developing and implementing the NYC Polyvictimization Collaborative Project ("Project") at the New York City Family Justice Center, Queens, New York, ("QFJC"), a project to be funded under A Pathway to Justice, Healing, and Hope: Addressing Polyvictimization in a Family Justice Center Setting Demonstration Initiative of the Office for Victims of Crime in the Office of Justice Programs within the United States Department of Justice ("DOJ Office").

I. History of Collaborative Relationship and Commitment to Partnership

In preparation of this application, the Mayor's Fund, in partnership with OCDV, reached out to the other partners regarding their potential participation in the proposed NYC Polyvictimization Collaborative Project. Further, the Mayor's Fund and OCDV discussed the proposed Project Budget for each of the partners and each partner approved the Budget that was relevant to their agency or organization.

Through this demonstration initiative, the partners are committed to convening and/or participating in working groups of a diverse cross-section of service providers and community stakeholders to learn about the needs of polyvictims, developing a new polyvictimization screening tool for use at the QFJC, conducting comprehensive training of staff to administer the
tool to adult clients and their children receiving services at the QFJC, and providing services needed to address intimate partner violence and other victimizations that clients have experienced in their lifetime. In addition, the Mayor’s Fund with the assistance of OCDV and CEO is committed to engaging a research entity to conduct a process evaluation on the implementation of the screening tool.

**Governmental Agencies**

**New York City Mayor’s Office to Combat Domestic Violence (OCDV)**

In November 2001, New York City voters approved an amendment to the City Charter to make the Commission to Combat Family Violence (originally established by Executive Order in 1994) into a permanent office of City government, headed by a Commissioner. OCDV is one of the few local government offices in the U.S. exclusively dedicated to addressing the issue of domestic violence across a large urban jurisdiction. In October 2015, Mayor Bill de Blasio appointed Cecile Noel as the Commissioner of the Mayor’s Office to Combat Domestic Violence. OCDV develops policies and programs to further its mission, coordinates the citywide delivery of domestic violence services, and works with diverse communities to increase awareness about domestic violence and resources and services available for victims. OCDV operates the NYC Family Justice Centers (“FJCs” or “Centers”), with locations in the Bronx, Brooklyn, Manhattan, Queens, and Staten Island, which provide comprehensive multi-agency services in one location for victims of intimate partner violence, elder abuse, and sex trafficking. Each Center is co-located with the local District Attorney’s Office for each borough and has New York Police Department Domestic Violence Prevention Officers (“DVPOs”) on-site, in addition to staff from over 35 community organization partners who offer counseling services for adults and children, civil legal assistance, immigration assistance, economic empowerment, and supportive services. The FJCs are walk-in Centers that provide free and confidential services regardless of the client’s language, income, immigration status, gender identity, or sexual orientation.

The operations of the Queens Family Justice Center (“QFJC” or “Queens FJC”) are managed by OCDV through an Executive Director and other QFJC administrative staff members. The objective of the QFJC is to provide client-centered, trauma-informed services under one roof to make it easier for victims to access the services they need. All on-site FJC services are provided by partner agencies, including community based organization and City agencies. Since opening in 2008, the Queens FJC has assisted over 31,000 clients and has had over 88,000 visits. Client visits to the Queens FJC increased by almost 1,500 annually last year and there has been an additional 10% increase in client visits this year. In 2015, the Queens FJC averaged over 1,000 client visits a month, which includes 360 new client screenings monthly.

In addition to operating the Family Justice Centers, OCDV has implemented innovative programming and comprehensive training initiatives to raise awareness about the issue of intimate partner violence and ensure victims have access to a full range of essential services. These programs and training initiatives include the Coordinated Approach to Preventing Stalking (“CAPS”) program, the Queens Human Trafficking Intervention Pro Bono Project, and the Healthy Relationship Training Academy, which is a prevention-based peer-led education model for youth. OCDV also chairs NYC’s Domestic Violence Fatality Review Committee, which reviews and analyzes homicide statistics to make recommendations to improve service delivery to victims and awareness efforts.
The Mayor’s Office to Combat Domestic Violence Responsibilities and Contributions
OCDV will be responsible for providing the following in-kind contributions:

Center for Economic Opportunity (CEO)
The Center for Economic Opportunity, a part of the Mayor’s Office of Operations, works to reduce poverty and advance evidence-based policy in New York City through research, program design, monitoring, and evaluation. CEO manages a dedicated annual Innovation Fund and works collaboratively with City agencies and other partners to create, implement, and oversee a range of anti-poverty programs, policies, and research projects. CEO’s in-house evaluation team works with nationally recognized, independent evaluation firms and City agencies to rigorously measure program impacts and provide objective evidence to inform decisions of whether to replicate, eliminate, or scale up programs. More than 500,000 individuals have been served by CEO programs, securing more than 30,000 job placements, more than 10,000 paid internships, more than 10,000 enrolled in college or occupational training, and over $100 million in increased tax credits claimed.

CEO is committed to partnering with the Mayor’s Fund and OCDV on the research and evaluation component of this grant. The Mayor’s Fund, with the assistance of CEO and OCDV, would identify a research entity to participate in the evaluation component of this grant opportunity. If funding is received, the Mayor’s Fund, with the assistance of CEO and OCDV,
would prepare a request for proposals for the research and evaluation component of the Project, and then circulate the request for proposals to CEO’s pre-selected list of potential research entities to invite them to submit a response. Once a research entity is selected by the Mayor’s Fund with the assistance of CEO and OCDV, the Mayor’s Fund and OCDV would work closely with the selected partner to create the evaluation tool to assess the effectiveness of the implementation tool at the QFJC.

Through this input and the recognition of the changing needs of survivors, the mission of SAVI has become threefold: (1) to meet the needs of rape, sexual assault, sexual abuse, sex trafficking and intimate partner violence survivors by offering immediate crisis intervention in hospital emergency departments; (2) to provide trauma therapy, counseling and information/referrals both for past and present survivors and their loved ones; and (3) to educate the public and professionals about issues of sexual and intimate partner violence, inclusive of primary prevention of gender-based violence.
