 22. Within ten days of learning of the final result of a traverse hearing, Respondent shall notify the Department of the result by submitting a traverse report to the Department using the current traverse report form titled "Traverse Report Form For Process Servers/Agencies Who Signed A Consent Order," available on the DCA Process Server Website. If Respondent fails to learn the final result and obtain a copy of the court's traverse decision within sixty (60) days of the scheduled hearing date, Respondent shall search the court file for such information. If Respondent fails to learn the final result and obtain a copy of the court's decision within ninety (90) days of the scheduled hearing date, Respondent shall search the court file again for such information.
 24.  25. Respondent shall continue to search the court file every thirty (30) days until it learns the final result of the traverse hearing and is able to obtain a copy of the court's decision.
 26. Respondent and the individual process server whose service is being challenged must each submit a completed Traverse Report Form upon learning of the scheduling of a traverse hearing and learning the result of a traverse hearing. Process serving agencies may not submit traverse reports on an individual process server's behalf.

27. For every traverse hearing scheduled relating to process that was assigned or distributed by Respondent for service in New York City, regardless of whether or not the hearing was actually held, Respondent shall conduct an investigation into whether service of process was proper. The investigation shall be conducted within ten (10) days of learning of the scheduled traverse hearing,

28. Respondent shall follow every instruction contained in the Service Investigation Report and shall complete the report, truthfully, accurately and completely.
29. Respondent shall maintain electronically, for seven (7) years, its Service Investigation Reports and electronic copies of all documents gathered or created pursuant to its service investigations, including all written communications with individual process servers and notes concerning communications with individual process servers.

Respondent shall make all possible efforts in good faith to resolve all consumer complaints filed with the Department within ten (10) days of receipt of copies of those complaints, but in all instances, Respondent shall respond in writing to the Department regarding those consumer complaints within ten (10) days of receipt of any complaints.
35. The acceptance of this Consent Order does not limit the Department's ability, nor the Respondent's obligation, to respond to consumer complaints that arose prior to the date of this Consent Order.
36. This Consent Order contains the entire agreement of the parties with respect to the subject matter of the Consent Order. This Consent Order supersedes any understandings or negotiations, whether written or oral, between the parties, and it can only be amended through a written document formally executed by all parties.
37. The Respondent agrees and affirms that it has read and understands this Consent Order, it accurately states the agreement between itself and with the Department, and it enters into and is bound by the terms and conditions stated herein.

BREACH OF THIS CONSENT ORDER

- 38. Respondent's failure to produce any of the documents required by this Consent Order, the Code, or the Rules shall constitute prima facie evidence that Respondent has failed to maintain those records and is not in compliance with the underlying terms of the Consent Order, law, or rule for which such documents are required to be maintained.
- 39. Specific violations of this Consent Order shall, in addition to a breach of this Consent Order, constitute independent and separate violations of any applicable law, regulation or rule.
- 40. Nothing in this Consent Order shall prevent or otherwise affect the Department's authority to seek any and all available remedies for a breach of this Consent Order, or for a violation of a law or rule, as permitted by the New York City Charter, the Code, or the Rules, including the Department's authority to deny a license application or license renewal application without a hearing.
